

# Lock Farm Fields To Meals

We started our **SUMMER DELIGHTS** the summer of 2007 during which we provided 20 weeks of fruits and vegetable to our share holders.

In 2008 we added the **FALL HARVEST** which provided 6 weeks of fall fruits and vegetables, meats and other farm products.

In the spring of 2011 we initiated a new opportunity. It was the **SPRING SENSATIONS**. After the long months of winter we are ready to pack our bags with the wonderful taste sensations that the warmer days of spring offer.
